QUESTIONS FROM PROPOSERS:

| | <u>Question</u> | <u>Answer</u> |

| 1 | I just finished watching the webinar and I saw that you had a “pre-selected” list of bidders. I was informed of this project by one of our SBE trade partners. If we were not on your list of “pre-selected bidders” would we be able to pursue this project as a prime CMAR? | During the Mandatory Pre-Proposal Meeting on March 4, 2024, JSL displayed a slide that used the term "pre-selected" when setting out the timeline for the project. The use of that term was an error, and the wording has been corrected in the version of the presentation placed on the project website (https://www.rogerdeanchevroletstadium.com/CMRFP2024/) to avoid any further confusion. The intent of the reference in the timeline was only to indicate that the RFP was circulated to the contacts listed in the Palm Beach County’s vendor directory that requested to receive notice of requests for proposals for construction management services. There are no "preselected bidders" for this project. Firms that participated in the Mandatory Pre-Proposal Meeting on March 4, 2024, and comply with all other requirements set out in detail in the RFP, remain eligible to submit a proposal. |

| 2 | Are we able to have access to the attendance list from yesterday's intro? | The attendance list from the Mandatory Pre-Proposal Meeting on March 4, 2024, is available for download via the project website (https://www.rogerdeanchevroletstadium.com/CMRFP2024/). |
| 3 | How can we get this presentation recording or PowerPoint? | The presentation presented during the Mandatory Pre-Proposal Meeting on March 4, 2024, is available for download via the project website (https://www.rogerdeanchevroletstadium.com/CMRFP2024/). No sound recording is available. |
